MEMBERSHIP PACK**

FOUNDATION MEMBERS

ABOUT

The Al-Attiyah Foundation, established under the patronage of H.E. Hamad bin Khalifa Al Thani, is Qatar's only independent, non-profit think tank dedicated to energy and sustainable development. Building upon H.E. Abdullah bin Hamad Al-Attiyah's work and forty years of service to the energy industry, the Foundation has quickly become a hub for thought leadership in the fields of energy and sustainable development domestically and internationally.

MEMBERSHIP TIER BENEFITS

The Foundation offers Platinum, Gold, Silver, and Affiliate membership packages. Members benefit from daily news on oil and gas prices, monthly research papers on energy and sustainable development, and the opportunity to participate in the Foundation's events and activities throughout the year. For the full list of benefits, refer to the Membership Tier Benefits Table in Appendix A.

QUARTERLY CEO ROUNDTABLE

The quarterly CEO Roundtable is the Foundation's flagship event, offering high visibility, strategic value, and engagement at the executive level. The sessions provide a platform for knowledge exchange between industry leaders, serve as crucial networking opportunities and bolster support for the worldwide community's pursuit of a sustainable energy-powered future. The events are moderated by celebrated broadcast journalists and showcase a minimum of four distinguished expert speakers, who join virtually or in person.

| Membership Benefits | |
|---------------------|--------------------------------|
| Tier | CEO Roundtable Invitations |
| Platinum | Two (2) invitations |
| Gold | One (1) invitation |
| Silver | One (1) invitation |
| Affiliate | Dependent on seat availability |

THE AL-ATTIYAH INTERNATIONAL ENERGY AWARDS FOR LIFETIME ACHIEVEMENT

The annual Abdullah Bin Hamad Al-Attiyah International Energy Awards for Lifetime Achievement celebrates the legacy of H.E. Al-Attiyah by honouring individuals for their career accomplishments in the global energy and sustainable development sectors.

Since its inception, the award has been bestowed on the likes of H.E. Ali bin Ibrahim Al-Naimi, the former Minister of Petroleum and Mineral Resources of Saudi Arabia, Sir Mark Moody-Stuart, the former chairman of Royal Dutch Shell and Rex Tillerson, the former Chair and Chief Executive of ExxonMobil and 69th U.S. Secretary of State.

PODCASTS AND WEBINARS

Podcasts

The Foundation produces two podcasts a month. During each 20-minute episode, prominent energy industry leaders share insights into their career journeys and delve into the prevailing themes within their realm of expertise. Since launching, the podcasts have become one of the Foundation’s most popular features among its Members and the general public due to the high calibre of guests and depth of the discussion.

Webinars

The Foundation’s quarterly webinar series facilitates dialogue on energy and sustainable development and changing market dynamics between industry leaders. Foundation Members, based in various locations across the world, can watch and participate in the sessions. Following each Webinar, a White Paper, that summarises the session's essential outcomes is sent to Members.
